Care of the Golf Course

Damage Through Practice Swings

In taking practice swings, players should avoid causing damage to the course, particularly the tees, by taking divots.

Holes in Bunkers

Before leaving a bunker, a player should carefully fill up and smooth over all the holes and footprints made by him/her therein.

Restore Divots and Plugmarks

Through the green, a player should ensure that any turf cut or displaced by him/her is replaced at once and pressed down, and that any damage to the putting green made by the ball or the player is carefully repaired. Do use your plug-mark repairer.

Damage To Green

Players should ensure that, when putting down the flag-stick, no damage is done to the green. When attending the flagstick, it should be held at arms length.

Care must be taken in removing and replacing the flag-stick that the lip of the hole is not damaged. The ball should not be removed from the hole with a golf club or putter.

Etiquette – Courtesy On The Course

Slow play shows lack of consideration. Be prepared – play ready golf.

Behaviour during Play

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke. We encourage 'Ready Golf' at Castle Golf Club.

Consideration For Other Players

No player should play until the players in front are out of range. In the interest of all, players should play without delay.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found; they should not continue play until the players following them have passed and are out of range.

When the play of a hole has been completed, players should immediately leave the green.

COMPETITIONS

(a) General

A competitor shall be disqualified in any competition unless he/she has paid his/her entry fee before starting.

(b) Stroke Play, Breaking of Ties

9, 12 or 13 holes: Decide on last 6,3,1. If still a tie decide by lot.

(c) Prizes:

The committee shall decide the format and the award of prizes

(d) Matchplay

- (i) Please note that all GUI Matchplay competitions (including mixed matchplay) should be played off the blue marker of the day or otherwise by mutual agreement between all players.
- (ii) Both sides have mutual responsibility for arranging each match. If a match is not played within the time limit allowed one or both sides may be scratched at the discretion of the Tournament Controller.
- (iii) Fourball Matchplay: Lowest Handicap to play off scratch and to concede strokes to all other players based on 90% of the difference between handicaps.
